REGISTER

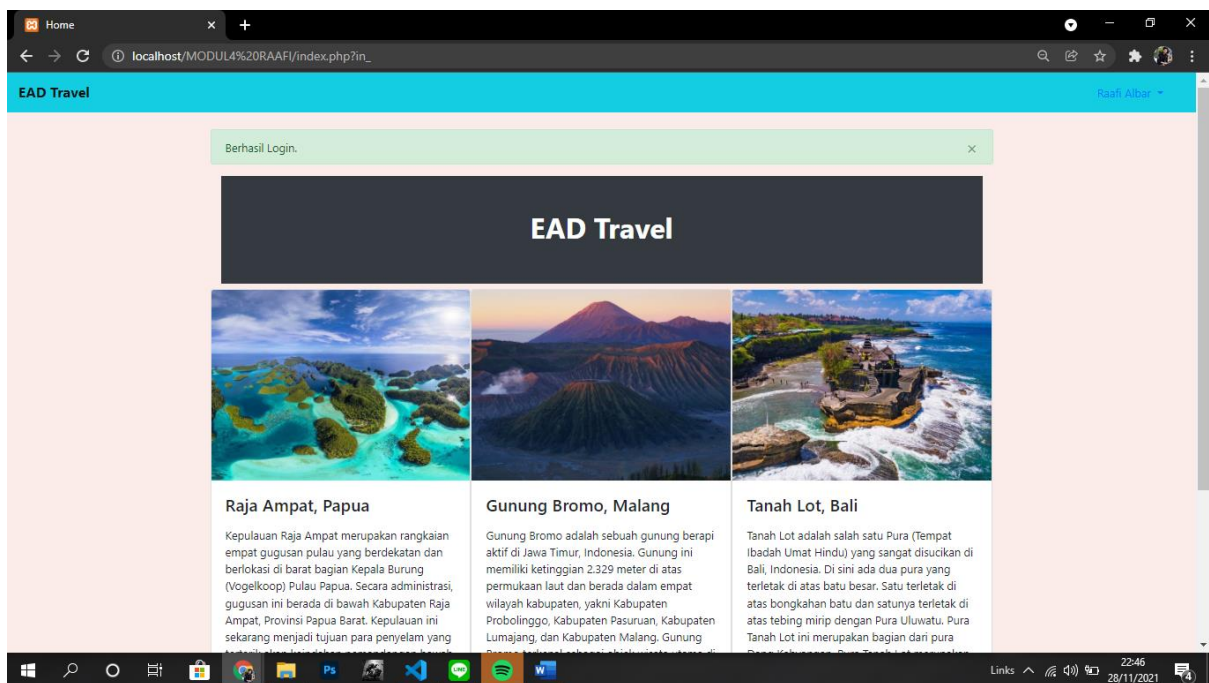

The screenshot shows the Visual Studio Code editor with the file 'register.php' open. The code is an HTML document with a dark theme. It includes a title 'Title', meta tags for charset and viewport, and a Bootstrap navbar. The main content area is a registration form with a light pink background. The form has a title 'Register' and five input fields: 'Nama' (Full Name), 'Email' (Email Address), 'No Handphone' (Phone Number), 'Kata Sandi' (Password), and 'Konfirmasi Kata Sandi' (Confirm Password). A blue 'Daftar' (Register) button is at the bottom of the form. Below the button, there is a link 'Anda sudah punya akun? Login' (Do you already have an account? Login).
